Primetac Generic Material Safety Data Sheet For Filament Reinforced Tapes 09/10/2008

Material Safety Data Sheet

Primetac products should not present a health and safety hazard when being used under normal and recommended conditions. However, potential health and safety hazards may occur when Primetac products are used not in accordance with ordinary conditions or recommended applications.

primetac

Section 1: Product and Company Identification

Product Name:	Primetac Filament Reinforced Tapes
Company:	Primetac Corp
	223-B Gates Road
	Little Ferry, NJ 07643
	800-285-6980

Issue Date: September 10, 2008

Section 2: Ingredients

Ingredient	CAS No.	% By Weight
Glass Fiber Reinforced, Polypropylene Backing	None	45 - 75
Polyester Fiber Reinforced, Polyester Backing	None	45 - 75
Glass Fiber Reinforced, Polyester Backing	None	45 - 75
Tackified Synthetic Rubber Adhesive	None	25 – 55

Section 3: Hazards Identification

Emergency Overview:

Odor, Color, Grade: Clear, White or Tan, little to no odor General Physical Form: Solid

Immediate health, physical and environmental hazards: The products present low environmental hazards. The products should not present a health and safety hazard when being used under normal and recommended conditions. However, potential health and safety hazards may occur when Primetac products are not used under ordinary conditions or recommended applications.

Potential Health Effects:

Eye Contact:

No potential health effects are anticipated under normal conditions. Vapor may form at elevated temperatures and may be irritating to the eyes.

Skin Contact:

No potential health effects are anticipated under normal conditions. Exposure to heated material may cause thermal burns.

Inhalation:

No potential health effects are anticipated at ambient temperature (0 - 100°F). Vapor may form at elevated temperatures and may be irritating to the respiratory tract. **Ingestion:**

Not anticipated.

Section 4: First Aid Measures

First Aid Measures:

Eye Contact: N/A Skin Contact: N/A Inhaled: N/A Ingested: N/A

Section 5: Fire Fighting Measures

A. Flammable Properties Flash Point: N/A Auto ignition Temperature: N/A Flammable Limits: N/A

May produce carbon dioxide, carbon monoxide or other vapors during fire.

B. Fire Fighting

Use fire extinguishers with class B agents (dry, chemical, carbon dioxide)

Section 6: Accidental Release Measures

Not applicable

Section 7: Handing and Storage

A. Handling

The products are considered an article, which do not release hazardous chemical under normal application conditions. Avoid prolonged skin contact. Use general ventilation.

B. Storage

Not applicable.

Section 8: Exposure Controls and Personal Protection

- 8.1. Personal Protection Equipment
 - 8.1.1. Eye Contact: avoid eye contact

8.1.2. Skin Protection: Avoid prolonged or repeated skin contact. Gloves are not normally required.

- 8.1.3. Respiration Protection: Airborne exposures are not expected to be high enough to require respiratory protection under normal conditions
- 8.1.4. Maintain good personal hygiene

8.1.5. Work Place Exposure Guidelines: N/A

Section 9: Physical and Chemical Properties

Section 10: Stability and Reactivity

Stability: Stable Conditions to Avoid: None known Hazardous Polymerization: Will not occur Hazardous Decomposition or By-Products: Hazardous decomposition is not anticipated under recommended application conditions.

Section 11: Toxicological Information

Please refer to Section 3 for available information and potential health effects.

Section 12: Ecological Information

N/A

Section 13: Disposal Consideration

Dispose of waste product in a sanitary landfill, or incinerate the waste product in a commercial or municipal incinerator.

Consult applicable local regulations or authorities before disposal.

Section 14: Transportation Information

Not regulated

Section 15: Regulatory Information

Chemical Inventories: The products are defined as an article by TSCA regulations, and therefore are exempt from the inventory listing requirements.

Other Regulations: please contact Primetac for more information

Section 16: Other Information

NFPA Hazard Classification: Health: 0 Flammability: 1 Reactivity: 0 Special hazards: None
